Important Notes

The priority is to make the Kaitaia A&P Show a safe, enjoyable and rewarding experience for all.

The grounds will be busy throughout the show, not only with fellow exhibitors but also competitors and the general public. Great caution must be exercised when moving vehicles and equipment during the day. If for any reason vision is obscured when moving vehicles, seek assistance to ensure that the manoeuvre is carried out in a safe manner.

The exhibitor will be responsible for their own insurance for the day.

Unless involved with show organised events (e.g. the parade) all vehicles, equipment and any activities related to your display must be contained within your allocated trade space area.

Access to the show grounds will be available from approximately 07.00am on Saturday morning.

We would like you to stay til 3pm, to help finish our day
